

RR Donnelley Awarded Multi-Year US Census Contract

The US Government Printing Office has awarded R.R. Donnelley & Sons Company a \$49.7 million multi-year contract to produce documents and provide consultative, supply chain management and other services for 2010 Census. RR Donnelley will produce and coordinate the mailing of census questionnaires that will be received in more than 120 million households throughout the United States.

John Paloian, RR Donnelley's Chief Operating Officer said "This program draws on our ability to use our information technology, print production and imaging, logistics and supply chain management capabilities to craft integrated solutions."

Production of census related materials will begins in 2008 with a pre-production "dress rehearsal."
